ABOUT THIS HOME

Introducing Casa Rustica — a stunning brand-new construction estate, set on a nearly one-acre lot in the heart of Pinecrest, just moments from top-rated public and private schools and minutes from premier dining, shopping, and major thoroughfares. This extraordinary single-story residence offers 6,782 SF under air and 10,797 SF total, with 7 bedrooms, 9.5 bathrooms, and a dedicated office convertible to an 8th bedroom. A soaring 18-ft vaulted wood-paneled foyer sets the tone, leading into a grand great room that opens completely to the resort-style backyard. The chef's kitchen impresses with Quartzite Taj Mahal leather-finish countertops, a whitewashed brick backsplash, Wolf and Sub-Zero appliances, and both a walk-in and butler's pantry. The primary suite is a private world — with bespoke ceilings, a custom walk-in closet, spa bath with soaking tub, digital shower system, dual smart water closets, and stunning parquet starburst flooring. Outside, a 1,190 SF covered terrace, custom summer kitchen, and a 61 x 17 ft Heated pool with 15-person spa complete this resort-style setting. A detached 716 SF guest house with Kitchenette and Laundry, two 3-car garages(6 Total) with Hight for car lift to easy convert into 12 and Tesla charge zone in each garage, Lutron lighting, Sonos audio, whole-house generator, and 1000 Gal underground gas tank leave nothing to be desired.
